Please initial by all statements below and complete the second page.

In submitting my deposit and this form to SouthPaw Toygers Cattery, I agree to the following terms and conditions:

\_\_\_\_\_ I understand that my deposit is non refundable; unless Southpaw is not able to provide the client a Toyger kitten within 1 year from date deposit has cleared SouthPaw's bank account. This policy is in place to ensure that the buyer is committed to their Toyger kitten. Once completed form and deposit has been received, the buyer will then be placed on list for next in line availability for a Toyger kitten.

\_\_\_\_\_ I understand that if I choose to pick up my Toyger kitten in person that I will pay the balance due at pick up with cash or otherwise I may pay with check, money order or cashier's check 14 days prior to picking up the kitten.

\_\_\_\_\_ I understand that if I prefer the Toyger kitten to be shipped from RDU International Airport from Raleigh, NC to the nearest airport to you, an additional \$500.00 is required 14 days prior to ship date. (Currently not available due to Covid)

\_\_\_\_\_ I understand that I will schedule in advance a vet well check exam appointment for 1-3 days after receiving the kitten and provide SouthPaw the invoice/records from that visit.

\_\_\_\_\_ I understand that prior to shipping or at pick up date this deposit form along with a completed & signed SouthPaw Toygers contract must be in SouthPaw Toygers Cattery's files.

\_\_\_\_\_ I understand that as a buyer I will have the Toyger kitten vaccinated for rabies at the age of 5-6 months old.

\_\_\_\_\_ I understand that as a buyer I will have the Toyger kitten spayed/neutered at the age of 5-6 months and must provide breeder with documentation of spay/neuter by a licensed veterinarian. The breeder will hold TICA registration papers until proof of spay/neuter is received. Upon receipt of that documentation, the kitten's registration papers will be forwarded to the buyer.
